Funding Types

Rockland Trust and its affiliated foundations currently accept three types of applications for funding:

A **Gala Sponsorship application** requests support for a breakfast, luncheon or dinner event on a specific date with speakers/presenters (may be virtual in 2022) on a particular date, and is a marketing partnership with a non-profit organization that aligns with our geographic and program focus areas.

An **Event Sponsorship application** requests support for a community event on a specific date, such as a 5K walk/run, parade, community fair, golf tournament, etc. It is a marketing partnership that aligns with our geographic and program focus areas.

A **Grant application** provides support to a 501c3 public charity in support of an organization's mission or project/program that aligns with our geographic and program focus areas. Funds can be requested for programs or operating support. Multi-year requests will also be considered. Rockland Trust and its affiliated foundations do not accept unsolicited capital requests.

If you have any questions on which type of application to complete, please email Charitable.Giving@RocklandTrust.com.

- Demonstrate an ability to be sustainable or obtain future funding
- Projected outcomes are proportionate to the amount requested
- Originate from organizations that enjoy widespread community support based upon feedback from local stakeholders and Rockland Trust colleagues
- Are eligible for Community Reinvestment Act (CRA) credit

Funding Information

The average grant award ranges from \$1,000 - \$5,000. Grants of **more than \$10,000**, including multi-year commitments, will be supported by a grant agreement signed by the Foundation and grantee.

The average gala sponsorship award varies based on the size of the event and marketing benefits. Event sponsorship awards are often less than \$1,000.

Rockland Trust will **not** typically award both a grant and sponsorship for the same organization in the same calendar year. Support of an organization in one year does not guarantee support at the same level in subsequent years.

Timing/Proper Advance Notice

Gala and event sponsorship applications are considered on a rolling basis and **MUST BE** submitted a minimum of **six weeks prior to event publicity date.** Gala and event sponsorship applications are accepted year-round.

Grant applications will be accepted **until October 14, 2022 at 5:00pm EST**, when our online grant request portal will close for the calendar year.

United Way

Rockland Trust makes a substantial, unrestricted donation to the United Way each year, which becomes part of the general pool of funds available to all United Way member agencies. The amount of United Way support already being received will be considered when reviewing United Way member agencies' requests.
