## Transitioning to Rockland Trust Online Banking

### Download your eStatements and transaction history

Your eStatements and online banking account history with Milford National Bank **will not** be transferred. **We recommend that prior to November 13 you print or download copies of your eStatements, transaction history, and bill payment history.** Going forward, you will have access to 13 months of transaction history and 3 years of eStatements.

### Account alerts and scheduled/recurring transfers

**Your current alerts and all scheduled or recurring transfers will process through Friday, November 16, 2018.**

When you log in to Rockland Trust Online Banking on or after November 19, you will need to reestablish alerts, eBills, scheduled and recurring transfers between your account and other financial institutions, and nicknames. Please make note of these items before **November 13**, so that you can easily reestablish them. For security reasons, some alerts have already been activated.

### Reinstate eStatement delivery in Rockland Trust Online Banking

If you receive eStatements and wish to continue doing so, you can reinstate your choice within Rockland Trust Online Banking by clicking on the **Statements** tab and accepting the eStatement disclosure. Otherwise, your statements will be mailed to you.

### Migrate QuickBooks and Quicken links to Rockland Trust

If your online banking account is linked to QuickBooks or Quicken, you will need to merge or relink your account. Please go to **RocklandTrust.com** for more information.

### Update your browser

Your account security is our top priority. If you are using an outdated browser, you may have issues accessing Rockland Trust Online Banking. In order to avoid a disruption, you will need to update your browser and/or operating system. If you need help determining which browser version you are using and whether it is supported, visit **RocklandTrust.com/browser-test**.

### Verify your email and phone number

**It is important that you verify that the email address and phone number associated with your Milford National Bank account(s) are correct by November 13.**

Please see page 4 for how to update your information.

### Add multiple users to your business account

Once you've logged in to Rockland Trust Business Online Banking, you, as the account owner, can set up additional users and assign user rights. For more information about user rights, visit [RocklandTrust.com](http://RocklandTrust.com) to view our Business Online Banking User Guide.

## Bill pay

If you currently use bill pay, all of your bill payments will continue to process without interruption. All payees, recurring payments, payment information, and bill payment history for active payees for the past six months will transfer to Rockland Trust Online Bill Pay. You will be able to view and edit this information beginning **Monday, November 19**, when you log in to Rockland Trust Online Banking.

### Changes to payment processing

Rockland Trust's cutoff time to submit a bill payment is **4:00 p.m.** The cutoff for expedited<sup>1</sup> bill payments is **6:45 p.m.**

## Are you already a Rockland Trust customer?

If you are an online banking customer of both Milford National Bank and Rockland Trust, your Milford National Bank accounts will be rolled into your existing Rockland Trust Online Banking. You will be able to use your current Rockland Trust User ID to log in to your account. However, the following information will not transfer to your Rockland Trust account:

- Your payee and payment information from your Milford National Bank account. You will need to reestablish this information.
- eBills that you receive through Milford National Bank Online Banking. You will need to reestablish this information in Rockland Trust Bill Pay.
- Any pre-scheduled transfers from your Milford National Bank account.

<sup>1</sup> Fees apply.

## Logging in to online banking for the first time

### Secure Access Codes

When you log in to Rockland Trust Online Banking for the first time, you will be prompted to receive a Secure Access Code. This one-time use code allows you to securely log in to our online banking system. The code will be sent to the email or phone number associated with your Milford National Bank Online Banking account. It is important that you verify that your email and phone number are correct by November 13. Please see the instructions below for how to update your email address and phone number.

Send your Secure Access Code to:

I have a Secure Access Code

SMS : (xxx) xxx - 5531

SMS : (xxx) xxx - 0178

Phone to : (xxx) xxx - 3417

E-mail : xxxxxxpencer@xxxxxrv.com

When you log in for the first time, you will be prompted to choose how you'd like to receive your Secure Access Code: via phone call or email. Note: Only the last few digits of your phone number and email address will be visible.

### How to update your email and phone number

On or before November 13, log in to Milford National Bank Online Banking. Click on the **Account Services** tab and go to **My Profile**. The online change of address form is located in **Request**. Enter your new email address and click **Submit**. You may also call or visit a Milford National Bank branch.

#### On a computer or laptop

1. Go to RocklandTrust.com and click on the blue **Account Logins** box in the top right corner of the screen.
2. On the next screen, enter your assigned New User ID in the **User ID** box and click **Log In**.
3. On the next screen DO NOT ENTER A PASSWORD. Instead, click on **I am a new user**.
4. Submit your **new User ID** to reset your password.
5. Select the way in which you would like to receive your Secure Access Code.
6. Enter the Secure Access Code in the box and click **Submit**. The Code is good for only 15 minutes. If it expires, you can always request a new one.
7. Validate the information in the User Profile and make changes, if needed.
8. Click **Submit Profile** at the bottom of the screen.
9. Create a new password following the requirements listed on the page and click **Submit** at the bottom of the page.
10. Read the Online Banking Agreement and scroll to the bottom to accept its terms.
11. Click the **I Accept** button to formally accept the Online Banking Agreement.

12. Upon your second login, you will be prompted with the option to register the device you're on. If you register the device, you may no longer need to obtain a Secure Access Code when logging in from the same computer.
13. If you would like to change your User ID, log in to online banking, then go to **Settings > Security Preferences > Change Login ID**.

#### On a tablet or smartphone

1. Visit the App Store or Google Play to download the **Rockland Trust Mobile Banking app**.
2. Log in to mobile banking using your online banking credentials.
3. Follow steps 3 through 13 above.

# Bill pay overview

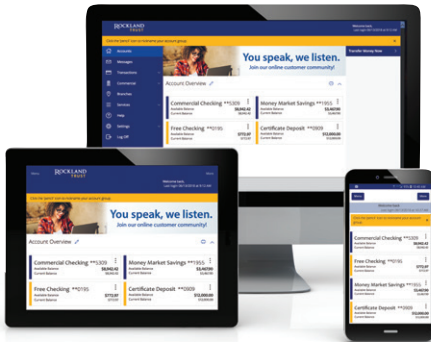

## Bill pay menu

The screenshot shows the Rockland Trust Bill Pay interface. At the top, there's a navigation bar with 'Bills & Payments', 'Payment Records', 'Administration', 'Help', and 'Exit Bill Center'. Below this is a sub-menu with 'Make Payments', 'Expedited Payment', and 'Send Money Online'. The main section is titled 'Make Payments' and includes a search bar for payees, a table of pending payments, and a table of processed payments. Numbered callouts (1-9) point to specific features: 1. 'Pay someone new' search bar; 2. 'Expedited Payment' link; 3. 'Send Money Online' link; 4. Payee selection dropdown; 5. Payment amount input; 6. 'Set up' options; 7. eBill icon; 8. 'Edit' and 'Cancel' links for pending payments; 9. 'View history/reports' link for processed payments.

*The bill pay menu* displays your billers, bills due, pending payments, and payments processed. From here you can manage payees and schedule, edit, or delete scheduled payments.

- 1 **Pay Someone New** Set up a new payee.
- 2 **Expedited Payment** Pay someone quickly.<sup>1</sup>
- 3 **Send Money Online** Send money to anyone with an email address or mobile phone number (the receiver must have a PayPal account).
- 4 **Payees** Select the drop-down menu to access or edit payee information.
- 5 **Payment Box** Enter payment amount.
- 6 **Set Up** Create a bill pay reminder or automatic payment.
- 7 **eBill Icon** You can receive electronic copies of bills from eligible companies. Once an eBill is set up, the payee can automatically send an electronic version of your bill to your online banking, and the eBill icon appears here.
- 8 **Pending Payments** Edit or cancel scheduled payments.
- 9 **Processed Payments** View payment history and reports.

<sup>1</sup> Fees apply.
