Quicken for Windows Conversion Instructions

Web Connect

Introduction

As **Nantucket Bank** completes its system conversion to **Rockland Trust**, you will need to modify your Quicken settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive.

To complete these instructions, you will need your User ID and Password for each Financial Institution.

You should perform the following instructions as described and in the order presented. If you do not, your online banking connectivity may not function properly. This conversion should take 15–30 minutes.

Thank you for making these important changes!

Documentation and Procedures

Task 1: Conversion Preparation

1. Backup your data file. For instructions to back up your data file, choose **Help** menu > **Search**. Search for “Backing Up Your Data” and follow the instructions.
2. Download the latest Quicken Update. For instructions to download an update, choose **Help** menu > **Search**. Search for “Update Software” and follow the instructions.

Task 2: Connect to **Nantucket Bank** for a final download before the end of day on **June 7, 2019**

1. Download your Quicken Web Connect file from www.nantucketbank.com.
2. Click **File** > **File Import** > **Web Connect File**. Locate and select the Web Connect file to import.
3. Repeat the download process for each account you have (such as checking, savings, credit cards, and brokerage).
4. If new transactions were received from your connection, accept all new transactions into the appropriate registers.

NOTE: If you need assistance matching transactions, choose **Help** menu > **Quicken Help**. Search for **Matching Transactions** and follow the instructions.

Task 3: Disconnect Accounts at **Nantucket Bank** on or after **June 7, 2019**

1. Choose **Tools** menu > **Account List**.
2. Click the **Edit** button of the account you want to deactivate.
3. In the **Account Details** dialog, click on the **Online Services** tab.
4. Click **Deactivate**. Follow the prompts to confirm the deactivation.
5. Click on the **General** tab.
6. Remove the financial institution name and account number. Click **OK** to close the window.
7. Repeat steps for each account to be disconnected.

Task 4: Reconnect Accounts to Rockland Trust on or after June 10, 2019

1. Download your Quicken Web Connect file from RocklandTrust.com.

NOTE: Take note of the date you last had a successful connection. If you have overlapping dates in the Web Connect download, you may end up with duplicate transactions.

2. Click **File > File Import > Web Connect File**. Locate and select the Web Connect file to import.
3. **Import Downloaded Transactions** window opens: Select **Link to an existing account** and choose the matching account in the drop-down menu. Associate the imported transactions to the correct account listed in Quicken.

NOTE: Do **NOT** select "Create a new account" unless you intend to add a new account to Quicken. If you are presented with accounts you do not want to track in this data file, select **Ignore – Don't Download into Quicken** or click the **Cancel** button.

4. Repeat steps for each account to be reconnected.

Documentation and Procedures

Task 1: Conversion Preparation

1. Backup your data file. For instructions to back up your data file, choose **Help** menu > **QuickBooks Help**. Search for “Back Up” and follow the instructions.
2. Download the latest QuickBooks Update. For instructions to download an update, choose **Help** menu > **QuickBooks Help**. Search for “Update QuickBooks” then select **Update QuickBooks** and follow the instructions.

NOTE: If multiple computers do not use the same QuickBooks data file, skip step 3. QuickBooks activities such as online banking cannot be performed in multi-user mode because of the way the activities interact with a company data file.

3. Switch to single user mode. For instructions to switch to single user mode, choose **Help** menu > **QuickBooks Help**. Search for “Switch to Single User Mode” and follow the instructions.

NOTE: If you are not using Classic Mode (Register Mode), you will need to enable it for the conversion. You can change it back after the conversion is complete.

4. Enable Classic Mode (Register Mode).
5. For instructions to enable Classic Mode (Register Mode), choose **Help** menu > **QuickBooks Help**. Search for “Banking Feed Modes” select **Bank Feeds Modes overview**, scroll down, and follow the instructions.

Task 2: Connect to **Nantucket Bank** for a final download before the end of day on **June 7, 2019**

1. Log in to www.nantucketbank.com and download your QuickBooks Web Connect file.
2. Click **File > Utilities > Import > Web Connect Files**.
3. Link your bank account with the existing QuickBooks account and click **Continue**.
4. Repeat steps for each account.

Task 3: Match Downloaded Transactions

If new transactions were received from your connection, accept all new transactions into the appropriate registers.

If you need assistance matching transactions, choose **Help menu > QuickBooks Help**. Search for **"Matching Transactions"** and follow the instructions.

NOTE: All transactions must be matched or added to the register prior to disconnecting your accounts.

Task 4: Disconnect Accounts at **Nantucket Bank** on or after **June 7, 2019**

1. Choose the **Lists** menu > **Chart of Accounts**.
2. Select the account you want to deactivate.
3. Click **Edit** menu > **Edit Account**.
4. Click on the **Bank Feed Settings** tab in the **Edit Account** window.
5. Select **Deactivate All Online Services** and click **Save & Close**.
6. Click **OK** for any dialog boxes that may appear with the deactivation.
7. Repeat steps for each account to be disconnected.

Task 5: Reconnect Accounts to **Rockland Trust** on or after **June 10, 2019**

1. Log in to RocklandTrust.com and download your QuickBooks Web Connect file.
2. Click **File > Utilities > Import > Web Connect Files**.

NOTE: Take note of the date you last had a successful connection. If you have overlapping dates in the Web Connect download, you may end up with duplicate transactions.

3. If prompted for connectivity type, select **Web Connect**.

4. Click the **Import new transactions now** button, then click **OK**.

NOTE: If you previously removed the check from the “Always give me the option of saving to a file...” option, then this dialog will not display.

5. In the “**Select Bank Account**” dialog, click **Use an existing QuickBooks** account.
6. In the corresponding drop-down list, select your QuickBooks account, and click **Continue**.
7. Confirm the prompt by clicking **OK**.
8. Repeat steps for each account to be reconnected.

IMPORTANT: Verify that all transactions downloaded successfully into your account registers.

Task 6: Re-enable Express Mode (if necessary)

NOTE: If you prefer Classic Mode (Register Mode), you are finished with your conversion. If you use Express Mode for online banking, you may now re-enable the mode.

For instructions to enable Express Mode, choose **Help > QuickBooks Help**. Search for “Banking Feed Modes” then select **Bank Feed Modes overview**, and follow the instructions.

Mint Conversion Information

Mint.com

Introduction

As **Nantucket Bank** completes its system conversion to **Rockland Trust**, Mint aggregation services may be interrupted for up to five business days.

NOTE: You will be able to access online banking information by directly logging into your financial institution website during the interrupted time.

Mint Conversion Information

Mint.com data is stored on Intuit cloud servers. Data is updated with every change and cannot restore data to a previous point in time.

For a successful account update, do not login into Mint.com for **Rockland Trust** until five business days after the conversion.

During this time, the Mint.com server will automatically make the system conversion for your activated accounts. If you log in to Mint.com during this time, you may see duplicate accounts or an error.

IMPORTANT: Please do not attempt to change the status or make any changes in Mint.com during this time. After 5 business days, the accounts should reconcile showing your transaction history available.

In the event that your accounts do not display current transactions after five business days, you may log back into Mint.com and click the refresh button to update the accounts. After the download completes, click the **Transactions** tab to view up to 90 days of transaction history.

1. Choose **Tools** menu > **Account List**.
2. Click the **Edit** button of the account you want to activate.
3. In the “Account Details” window, click on the **Online Services** tab.
4. Click **Set up Now**.
5. Use “Advanced Setup” to activate your account.
6. Enter **Rockland Trust** in the search field, select the name in the list and click **Next**.
7. If presented with the “Select Connection Method” screen, select **Direct Connect**.
8. Type your Direct Connect **User ID** and **Password** and click **Connect**.
9. Ensure you associate the account to the appropriate account already listed in Quicken. You will want to select **Link** to an existing account and select the matching accounts in the drop-down menu.

IMPORTANT: Do **NOT** select “Add to Quicken” unless you want to add a new account to Quicken. If you are presented with accounts you do not want to track in this data file, select **Ignore – Don’t Download into Quicken**.

10. After all accounts have been matched, click **Next**. You will receive confirmation that your accounts have been added.
11. Click **Done** or **Finish**.

Quicken for Mac 2015-2017 Conversion Instructions

Express Web Connect to Direct Connect

Introduction

As **Nantucket Bank** completes its system conversion to **Rockland Trust**, you will need to modify your Quicken settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive.

To complete these instructions, you will need your User ID and Password for each Financial Institution.

NOTE: Express Web Connect uses the same User ID and Password as the **Nantucket Bank** website. Direct Connect for **Rockland Trust** may require registration. Please contact your financial institution to verify your Direct Connect login information.

You should perform the following instructions as described and in the order presented. If you do not, your online banking connectivity may not function properly. This conversion should take 15–30 minutes.

Thank you for making these important changes!

Documentation and Procedures
