Give a Little, Get a Lot!

In the song "Give a Little, Get a Lot," Nick and Penny sing about the many ways people give in their communities. Can you think of ways people are giving in your community now?

Draw a picture of how they are giving, donating or working to make the world a better place and write them a thank you note! As Ms. Money says, "when you give, you feel good!"

Large empty rectangular box for drawing a picture of giving.

Dear _____:

Five horizontal lines for writing a thank you note.

Many thanks,

(Parent/Guardians: Children can use this template to make their own envelope)
