

Activity Center

'Activity Center' lists all user activity initiated from within Online Banking. This page can be accessed by selecting the 'Activity Center' option under the 'Transactions' menu.

Single Transactions

1. Click the 'Filters' option to reveal searchable fields.

The screenshot displays the 'Activity Center' page with a left-hand navigation menu. The 'Transactions' menu item is expanded, and 'Activity Center' is selected. The main content area shows three tabs: 'Single Transactions' (active), 'Recurring Transactions', and 'Mobile Deposit History'. Below the tabs is a search bar labeled 'Search transactions' and a 'Filters' button, which is highlighted with a red box. To the right of the search bar are 'Favorites' and icons for print and download. Below these are several filter dropdowns: 'Created', 'Status', 'Transaction Type', 'Account', and 'Amount'. A table of transactions follows, with columns corresponding to these filters. Each row includes a date, status, transaction type with tracking ID, account name, amount, and an 'Actions' dropdown.
