ROCKLAND
TRUST
BANK

Where Each Relationship Matters®

We believe that our future is tied to the well-being of the communities we serve. At Rockland Trust, being a bank is about more than providing financial products and services—it’s also about being a strong advocate and steward for the community organizations that help support the individuals, families, and businesses that make up our communities. This is a fundamental belief that has been a core element of our culture for more than 110 years.

Looking back at 2017, we are proud of the partnerships we’ve forged—both old and new, and of the passion our colleagues gave to active involvement in community organizations. Collectively we were able to make a meaningful impact on the cities and towns in our service area through a common commitment to raising the quality of life in those communities. This is not just our duty as a community member; it is also a privilege for which we are grateful.

Community Support Summary

In 2017 we supported communities through our charitable giving programs, community initiatives that enrich lives, and volunteerism. Rockland Trust and its affiliated foundations provided **over \$1.5 million** in charitable grants and sponsorships to nonprofit organizations that provide much needed education, health and human services, youth, affordable housing, and community development programs.

We continued to award **scholarships** through our yearly college scholarship competition. Since 2012, Rockland Trust has provided 77 scholarships recognizing students for academic excellence and community service.

Last year also marked the ninth year for **Reading Makes Cent\$**, our annual summer reading and financial savings program for schoolchildren across eastern Massachusetts. In addition, Rockland Trust supported **Credit for Life fairs** for high school seniors in the Greater Boston and South Shore communities. The fairs helped students develop personal financial management skills and to prepare them financially for the future.

Furthermore, Rockland Trust colleagues demonstrated their dedication to supporting the community by volunteering their time to programs and initiatives through **RockCorp**, our Company’s community outreach program.

Charitable Giving	Education	Financial Literacy	Community Outreach
Donations and Sponsorships	Scholarships	Reading Makes Cent\$ & High School Credit Fairs	RockCorp Volunteer Program
Donated \$1,164,270 in charitable contributions to 180 organizations.
