Important information you need to know about Rockland Trust Online Banking.
On June 10, Blue Hills Bank will officially open as Rockland Trust. You will soon have access to Rockland Trust products, services, systems, and locations.

Important information

Your Blue Hills Bank Online Banking will transfer to Rockland Trust Online Banking during the weekend of June 7.

Getting ready!

- Verify that the email address and phone number associated with your Blue Hills Bank Online Banking account are correct. See page 4 for how to update your information.
- Make note of alerts and electronic bill information.
- It is recommended that you print or download copies of your eStatements, online banking transaction history, and bill payment history.
- Update your browser — make sure you're using the most updated version of your web browser and operating system. Visit RocklandTrust.com/browser-test to see whether your browser is supported.

The following account information WILL be transferred:

- General account information
- Active bill payee information
- Scheduled and recurring bill payments
- Bill payment history for active payees for the past six months. Please note that your bill payment history will not be available for viewing for three to five days after June 10
- Scheduled and recurring transfers among your Blue Hills Bank accounts
- Limited online banking transaction history
- ACH and wire templates

This information WILL NOT transfer:

- Copies of eStatements
- Electronic bill information, account alerts, and account nicknames
- Third-party payment services, such as Pop Money
- QuickBooks and Quicken online banking account links

Soon you’ll have access to the latest innovative banking technology:

- Use Face ID or your fingerprint to log in
- Approve business transactions on the go using your mobile device
- Uniform online experience across all devices
Verifying your email and phone number
It is important that you verify that the email address and phone number associated with your Blue Hills Bank account are correct prior to June 4. Please see page 4 for how to update your information.

Add multiple users to your business online banking
Once you’ve logged in to Rockland Trust Business Online Banking, if you are the account owner, you can set up additional users and assign user rights. For more information about user rights, visit RocklandTrust.com to view our Business Online Banking User Guide.

Verify ACH and/or wire template information
ACH and wire template information will transfer over. However, it is recommended that you verify and make note of this information prior to June 7.

Bill pay
If you currently use bill pay, all of your scheduled bill payments will continue to process without interruption. All payees, recurring payments, payment information, and bill payment history for active payees for the past six months will transfer to Rockland Trust Bill Pay. Bill payment history will not be available for viewing for three to five days after June 10.

Download your bill payment history
We recommend that prior to June 6 you print or download copies of your bill payment history. Going forward, you will have access to 13 months of bill pay history.

Changes to payment processing
The cutoff time to submit a bill payment is 4:00 p.m. The cutoff for expedited\(^1\) bill payments is 6:45 p.m.

Secure Access Codes

When you log in to Rockland Trust Online Banking for the first time, you will be prompted to receive a Secure Access Code. This one-time-use code allows you to securely log in to our online banking system. The code will be sent to the email or phone number associated with your Blue Hills Bank Online Banking account. It is important that you verify that your email and phone number are correct prior to June 4. Please see the instructions below for how to update your email address and phone number.

How to update your email and phone number

Prior to June 4, you should verify that your email and phone number are correct within Blue Hills Bank Online Banking. Please call or visit a Blue Hills Bank branch to verify or update your contact information.

When you log in for the first time, you will be prompted to choose how you’d like to receive your Secure Access Code: via phone call or email.

Note: Only the last few digits of your phone number and email address will be visible.

Logging in to online banking for the first time

On a computer or laptop

1. Go to RocklandTrust.com and click on the blue Account Logins box in the top right corner of the screen.
2. On the next screen, click the box at the bottom of the screen that says Attention.
3. Submit your User ID to create your password. Please refer to the attached letter to view your User ID.
4. Select the way in which you would like to receive your Secure Access Code.
5. Enter the Secure Access Code in the box and click Submit. The code is valid for only 15 minutes. If it expires, you can always request a new one.
6. Validate the information in the User Profile. If changes need to be made, update your information under the Services menu within online banking. Click Submit Profile.
7. Create a new password following the requirements listed on the page and click Submit at the bottom of the page.
8. Read the Online Banking Agreement and scroll to the bottom to accept its terms. Click the I Accept button to formally accept the Online Banking Agreement.
9. Upon your second login, you will be prompted with the option to register the device you're on. If you register the device, you may no longer need to obtain a Secure Access Code when logging in from the same computer.
10. If you would like to change your User ID, log in to online banking, then go to Settings > Security Preferences > Change Login ID.

On a tablet or smartphone

1. Visit the App Store or Google Play to download the Rockland Trust Mobile Banking app.
2. Open the Rockland Trust Mobile Banking app and click on I am a new user.
3. Follow steps 3 through 10 above.
